

About our logo...

The logo is designed to evoke the feeling of Washington County's history in Minnesota as one of the nine counties of the territory before it became a state. Originally being a forested area and with original communities associated with sawmills, the idea of a tree seemed to encompass all aspects of this history.

The motto "Firmly Rooted, Always Growing" plays to both the logo, the historical significance of Washington County and the concept of South Washington County's Continuing Education which allows for always growing playing on the program tagline "Where Learning Comes Alive."
